ZETA CHI OMEGA

July 1, 2011

Alpha Kappa Alpha Sorority, Incorporated®, Zeta Chi Omega Chapter is seeking your assistance in identifying young women to participate in one of our new program initiatives, Emerging Young Leaders (EYL). This program is designed to foster leadership development, civic engagement, enhanced academic preparation, and character development in middle school-aged girls in grades 6-8. The goal of the program is to impact 10,000 girls nationwide and to in turn enable these girls to become leaders within and outside of their communities.

Zeta Chi Omega's EYL program will include girls from both the City of Alexandria and Arlington County and will create an enriching experience that will carry on for many years to come. Our program will include a variety of activities consisting of leadership and personal development workshops, community service projects, and educational and cultural outings to museums and other venues.

We are seeking your assistance in getting the word out to girls who reside or attend school in either the City of Alexandria or Arlington County. Please make applications for the program available to girls that you think are interested in or who would benefit from the program. Copies of the application may also be downloaded at: <http://www.aka-zco.org/>. Applications will be reviewed on a rolling basis. All application materials should be completed and returned to the following address on or before October 14, 2011:
